TEWARIGANJ, FAIZABAD ROAD, LUCKNOW - 227105

NBA accredited in Multiple Branches | Affiliated with A.K.T.U., Lucknow

About SRMCCEM

Sri Ramswaroop Memorial College of Engineering and Management (SRMCCEM) is an NBA-accredited institution (CSE & ECE), recognized by AICTE and affiliated with Dr. A.P.J. Abdul Kalam Technical University, Lucknow. Nestled in the serene surroundings of the Lucknow-Faizabad Highway, SRMCCEM offers world-class education in Engineering and Management, fostering academic brilliance and professional excellence. Founded by IIT Kanpur gold medalists, Er. Pankaj Agarwal and Er. Pooja Agarwal, the institution is driven by a visionary commitment to empowering youth through quality education and skill development. With a highly experienced faculty, state-of-the-art classrooms, laboratories, and libraries, the college provides an ideal environment for holistic learning.

SRMCCEM offers graduate and postgraduate programs in Engineering, Computer Applications, and Management, integrating skill-based learning, industry insights, and professional excellence to enhance employability. Its holistic curriculum cultivates the right mindset and prepares students to thrive in professional environments. A balanced emphasis on co-curricular activities complements rigorous academics, ensuring a well-rounded educational experience.

The journey of excellence continues at SRMCCEM, where strong leadership, a values-driven institutional culture, and quality-focused initiatives create a promising destination for professional education.

Message from the Founder & Executive Director

Er. Pankaj Agarwal

B.Tech, IIT Kanpur

At SRMCCEM, we are committed to providing aspiring professionals with the finest education. Our journey is driven by a pursuit of excellence, where every step is thoughtfully guided by visionary leadership and a faculty dedicated to value-based teaching. Over the years, SRMCCEM has blossomed into an institution that blends academic rigor with a rich tapestry of co-curricular and extra-curricular activities, transcending traditional classroom boundaries. We are proud of the milestones our students continue to achieve and are confident that they will contribute meaningfully to society, not just as professionals, but also as responsible citizens.

Message from the Co-Founder of the college

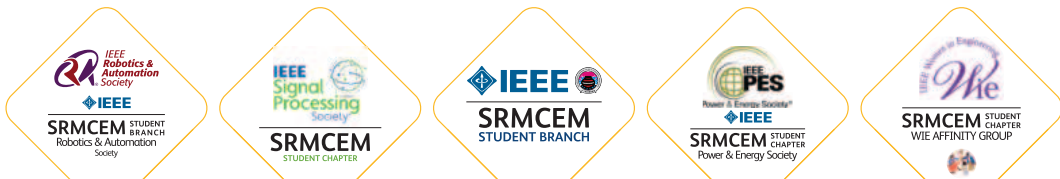

Er. Pooja Agarwal

B.Tech, IIT Kanpur

At SRMCCEM, we are committed to providing aspiring professionals with the finest education. Our journey is driven by a pursuit of excellence, where every step is thoughtfully guided by visionary leadership and a faculty dedicated to value-based teaching. Over the years, SRMCCEM has blossomed into an institution that blends academic rigor with a rich tapestry of co-curricular and extra-curricular activities, transcending traditional classroom boundaries. We are proud of the milestones our students continue to achieve and are confident that they will contribute meaningfully to society, not just as professionals, but also as responsible citizens.

Memberships And Associations

At SRMCCEM, **IEEE membership** opens the door to innovation, global networking, and professional excellence. Our vibrant IEEE Student Branch actively organizes workshops, seminars, and technical events to empower students with the latest in technology and leadership skills. A proud milestone for SRMCCEM is hosting the prestigious **IEEE International Conference** under the U.P. Section in November 2024, showcasing our commitment to academic and research excellence on a global platform. Being a part of IEEE at SRMCCEM means being part of a dynamic community that drives change and shapes the future.

SRMCCEM has forged strong collaborations with leading national and international organizations such as CII (Confederation of Indian Industry), IIC (Institution's Innovation Council), AIMA (All India Management Association), LMA (Lucknow Management Association), TCS (Tata Consultancy Services), ICI (Indian Concrete Institute), ASSOCHAM (Associated Chambers of Commerce and Industry of India), and CSI (Computer Society of India). These partnerships are designed to bridge the gap between academia and industry, fostering innovation, research, entrepreneurship, leadership, and employability. Through these collaborations, students gain access to expert mentorship, industry certifications, workshops, internships, real-world projects, and networking opportunities, significantly enhancing their technical and professional competencies.

Innovation & Entrepreneurs! IIP Cell

The entrepreneurial vision, defined by discovery and risk-taking, is an indispensable part of a nation's capacity to succeed in an ever-changing and fiercely competitive global marketplace. An Innovation & Entrepreneurship Cell has been established at our institute to support this vital need of the present times.

Value Education Cell

The VE Cell is working in alignment with the mission of the Institute and facilitating in providing a conducive environment for making a Holistic. Value Based Living Model and a prominent Nodal Centre of UHV (Universal Human Values).

Departments

Computer Science Engineering

Join the forefront of technology with the CSE program at SRMCEM. Featuring an industry-aligned curriculum in AI, Machine Learning, Data Science, IoT, and Cybersecurity, the program offers hands-on learning through advanced labs, hackathons, and project-based training. With strong placement support and consistent student success in tech competitions, SRMCEM prepares you to thrive in today's digital world.

Information Technology

The IT program at SRMCEM equips students with in-demand skills in Cloud Computing, Data Analytics, Cybersecurity, IoT, and AI. With an updated industry-focused curriculum, tech-enabled labs, live projects, and expert mentorship, students gain practical knowledge and career-ready experience. Our graduates are consistently hired by top tech companies, making IT at SRMCEM a gateway to success in the digital age.

Electronics & Communication Engineering

The ECE department at SRMCEM blends core electronics with modern tech like VLSI, IoT, Embedded Systems, and Robotics. Students gain practical skills through advanced labs such as the TI Embedded Systems Lab and IoT & Wireless Sensor Networks Lab. With project-based learning, industry-aligned training, and strong placement support, graduates excel in telecom, automation, R&D, and competitive exams like GATE and UPSC.

Electrical Engineering

The Electrical Engineering department at SRMCEM offers a dynamic learning environment with focus areas like Power Systems, Control Systems, Power Electronics, and Renewable Energy. Students gain hands-on experience in labs such as the Power System Simulation Lab, Electric Drives Lab, and PLC & Automation Lab. With real-time projects, workshops, and strong mentorship, graduates are prepared for careers in core industries, higher studies, and emerging tech domains.

Civil Engineering

The Civil Engineering Department at SRMCEM prepares students for impactful careers in infrastructure and urban development. With hands-on training in labs like Structural, Environmental, Geotechnical, Surveying, and Transportation, the program emphasizes practical learning, live projects, and modern construction software. Students gain the skills to tackle real-world challenges with innovation and technical precision, making them industry-ready professionals.

Mechanical Engineering

The Mechanical Engineering Department at SRMCEM offers an industry-oriented program combining strong theoretical knowledge with practical skills. Students explore core areas like Design, Thermodynamics, Manufacturing, and Automation through hands-on training in advanced labs such as CAD/CAM, Heat Transfer, and Robotics. With live projects, industrial visits, and expert mentorship, the program nurtures innovation and prepares students for careers in design, manufacturing, energy, and emerging technologies.

Management

The Management Department at SRMCEM equips students with the skills to become future-ready business leaders. Offering specializations in Marketing, Finance, HR, Business Analytics, and International Business, the program blends academic learning with real-world exposure through case studies, internships, industrial visits, and expert sessions. With a strong focus on innovation, entrepreneurship, and personality development, students are prepared for success in dynamic corporate roles, higher studies, or start-up ventures.

Computer Application

The Computer Applications Department at SRMCEM offers an industry-focused curriculum covering software development, AI, cybersecurity, and data management. Emphasizing hands-on learning through labs, projects, internships, and hackathons, it fosters innovation and problem-solving. With expert talks, workshops, and industry tie-ups, students gain real-world exposure and are well-prepared for careers in IT services, product development, and research.

Pharmacy

Embark on a promising journey in pharmaceutical sciences with the B.Pharm program at SRMCEM. Equipped with modern labs, expert faculty, and strong industry exposure, the program offers a blend of theoretical knowledge and hands-on training. Emphasizing clinical learning, research, and regulatory insights, it prepares students for careers in pharma, quality assurance, marketing, and healthcare. With internship opportunities and dedicated placement support, SRMCEM sets you on the path to a rewarding future in pharmacy.

COURSES OFFERED

POST GRADUATE COURSES

	Course	Affiliated with	Duration (in Years)	Intake	Eligibility
M.Tech.	Computer Sc. & Engg.	A.K.T.U.	2 Years	9	B.Tech. with minimum 60% marks
	Civil Engg.			9	
	Environmental Engg.			9	
MBA	Master of Business Administration	A.K.T.U.	2 Years	120	Clearly passed a three years bachelor's degree course without grace marks from any recognised university with an aggregate of minimum 50% for General & OBC and 45% marks for SC/ST candidates
MCA	Master of Computer Application	A.K.T.U.	2 Years	120	Clearly passed a three years bachelor's degree course without grace marks from any recognised university with Mathematics as a subject at 10+2 level with an aggregate of minimum 50% for General & OBC and 45% marks for SC/ST candidates

UNDERGRADUATE & DIPLOMA COURSES

	Course	Affiliated with	Duration (in Years)	Intake	Eligibility
B.Tech.	Civil Engg.	A.K.T.U.	4 Years	60	Clearly passed a 10+2 level examination or its equivalent without grace marks from any recognised board with an aggregate of minimum 45% for General & OBC, and 40% marks for SC/ST candidates in the subject groups mentioned in the Handbook of AICTE.
	Computer Sc. & Engg.			240	
	CSE (Artificial Intelligence & Machine Learning)			180	
	CSE (Data Science)			90	
	CSE (Internet of Things)			60	
	CSE (Cyber Security)			60	
	Information Technology			120	
	Electrical Engg.			30	
	Electronics & Communication Engg.			60	
	Mechanical Engg.			60	
B.Pharma.	Bachelor of Pharmacy	A.K.T.U.	4 Years	60	Clearly passed a 10+2 level examination or its equivalent without grace marks from any recognised board with an aggregate of minimum 50% and Physics & Chemistry as compulsory subject along with one of the Mathematics/ Biology as optional subject.
D.Pharma.	Diploma of Pharmacy	UP BTE	2 Years	60	Clearly passed a 10+2 level examination with a minimum 50% aggregate marks

IMPORTANT

ANTI-RAGGING MEASURES: SUBMISSION OF AFFIDAVIT BY THE STUDENTS / PARENT / GUARDIAN

Note from the Registrar for students/parents/guardians: It is to make the students and their guardians aware of the orders of Hon'ble Supreme Court and the AICTE on the Anti-Ragging measures (Copy of the *AICTE Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009* available on the college website), by means of which all students and their parents/guardians are required to submit the affidavits as in Annexure I to be signed by the student and in Annexure II to be signed by parent/guardian, before any student is allowed to take admission in the College. The format of affidavits may also be obtained from Registrar's office of the SRMGPC or downloaded from our website www.srmcem.ac.in, and submitted on a Non Judicial paper of Rs.10/- duly attested by the oath commissioner/notary. All students/parents/guardians will be required to submit the affidavits on the day of the student's admission without which entry in the classes will not be allowed. Wide publicity of this information is requested.

REGISTRAR

ANNEXURE-I

AFFIDAVIT BY THE STUDENT

I, _____, S/o / D/o _____, having been admitted to *Shri Ramswaroop Memorial Group of Professional College, Tewariganj, Lucknow*, have received a copy of the AICTE Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, (here in after called the "Regulations"), carefully read and fully understood the provisions contained in the said Regulations.

- 2) I have, in particular, perused clause 3 of the Regulations and am aware as to what constitutes ragging.
- 3) I have also, in particular, perused clause 7 and clause 9.1 of the Regulations and am fully aware of the penal and administrative action that is liable to be taken against me in case I am found guilty of or abetting ragging, actively or passively, or being part of a conspiracy to promote ragging.
- 4) I hereby solemnly aver and undertake that
 - a) I will not indulge in any behaviour or act that may be constituted as ragging under clause 3 of the Regulations.
 - b) I will not participate in or abet or propagate through any act of commission or omission that may be constituted as ragging under clause 3 of the Regulations.
- 5) I hereby affirm that, if found guilty of ragging, I am liable for punishment according to clause 9.1 of the Regulations, without prejudice to any other criminal action that may be taken against me under any penal law or any law for the time being in force.
- 6) I hereby declare that I have not been expelled or debarred from admission in any institution in the country on account of being found guilty of, abetting or being part of a conspiracy to promote, ragging; and further affirm that, in case the declaration is found to be untrue, I am aware that my admission is liable to be cancelled.
- 7) In addition to the above, I hereby also undertake and confirm that on all matters of Academic, Administration and Discipline, the decision of the college authorities shall be final and binding on me.

OUR LEGACY - THE SRMC EM STORY

The fond memory of Shri Ramswaroop Agarwal ji, his dreams and awakened social responsibilities, shaped what Shri Ramswaroop Memorial Group of Professional Colleges is today. Following his vision, two Gold Medalists of IIT-Kanpur, Mr. Pankaj Agarwal Mrs. Pooja Agarwal ventured into the sphere of imparting education. It is the fulfillment of their vision that has borne fruit and made the group what it is, today.

Shri Ramswaroop Memorial University (SRMU)

Shri Ramswaroop Memorial University (SRMU) is a premier NAAC-accredited institution located in Lucknow, known for its commitment to academic excellence, innovation, and industry-oriented learning. With state-of-the-art infrastructure, modern labs, studios, and a lush green campus, SRMU offers a wide range of undergraduate, postgraduate, and diploma programs across disciplines like Engineering, Management, Law, Journalism, Pharmacy, Agriculture, and more. The university emphasizes holistic development through practical exposure, expert faculty, and strong placement support, making it a preferred choice for students aspiring for a bright and successful future.

Shri Ramswaroop Memorial College of Management (SRMCM)

SRMCM is affiliated to University of Lucknow. Undergraduate programs for Computer Application and Business Administration are in this college. The students are encouraged to have multifaceted personalities. Career guidance is provided to motivate them to pursue education and achieve good placements.

Shri Ramswaroop Digital Technologies Pvt. Ltd. (SRDT)

Shri Ramswaroop Digital Technologies Pvt. Ltd. (SRDT) has a team of experienced workforce that are expert in providing state-of-the-art products and services to our customers. Offering digital technology solutions is media, entertainment, education, enterprise content management and e-publishing space. The strength of our business is a direct reflection of the prudence and precision with which we understand and meet our clients' needs, making us the financial partner of MEP industry, information technology, online stores, educational institutions, governments and individuals world over.
